The U.S. Fish and Wildlife Service issued its revised Biological Opinion in 2016. The Forest Service signed its ROD on 6/7/17. The Corps of Engineers, which plans to adopt Forest Service's ROD, has not yet made a final decision regarding issuance of a 404 permit.

Let me know if you need further details on any of the above projects.

We appreciate your efforts to keep us informed and your willingness to solicit and accept input from the Regions as you navigate through the craziness. Have a great weekend!
